УКРАЇНА  
SPEAKING

One of the aims of GoGlobal is to create free opportunities for Ukrainians to learn foreign languages, primarily English. Increasingly more people are interested in learning where to find quality instruction for free. Courses at language schools are expensive and reaching a level of proficiency requires taking several courses – the cost adds up.

As part of the Year of English, language schools in Ukraine are opening their doors and offering free English language courses. As a result of efforts by GoGlobal, language schools across the country are providing a limited number of free places in their courses for anyone interested, regardless of age, gender or social status. The first participating schools are already working with Україна Speaking to offer free spots in their English language courses, organizing speaking clubs and trainings.

### THE FIRST TO JOIN THE INITIATIVE WERE:

- **GO! ENGLISH!** Language School In Odesa <https://www.facebook.com/goengod>  
**Oblast Library for Youth** in Zaporizhzhya
- **SHERWOOD** Language School in Dnipropetrovsk <http://dp.sherwood.org.ua/>
- **EWORDS** online English courses in Lviv <http://ewords.com.ua/>
- **COOL English** in Berdyansk [https://vk.com/topic-92038180\\_33018419](https://vk.com/topic-92038180_33018419)

Windows on America Centers <http://www.woa-ua.org/> located at regional libraries also offer free language clubs and other activities.

We are happy to see that more and more schools are recognizing the importance of this project and are joining the «Free English» initiative. In 2016 we plan to reach many more cities and towns, including Kharkiv, Kyiv, Chernihiv, Mykolayiv, Kryvyi Rih and Poltava.

The participating schools understand there will be many more applicants than free spots. Therefore, it was decided that only those most motivated and talented will be able to study for free.

### APPLYING IS EASY:

1. Stay tuned for new opportunities at <http://uaspeaking.org/>
2. Pick a school in your city
3. Fill out the application and explain why you want to learn English for free

It's not difficult, so don't miss your change. Visit the «Можливості» and «Події» sections at <http://uaspeaking.org/> for opportunities and a schedule of upcoming speaking clubs in your city

- February 2016 – language schools offer first free places
- End of February 2016 – 15 participating schools, free language courses for 80 students
